PRINCIPAL'S ADDRESS

Dr. John Newburn

Dear Class of 1995,

Have you wondered how time can pass by so quickly? Just a few short years ago you were all in middle school. And wasn't it just recently that you entered FHS as ninth graders eager for the search for who you were and where you were going? Now you find yourselves completing high school and preparing to enter life's larger universe beyond FHS to launch your search anew.

One of our school missions has been to help you acquire the skills, attitudes, and behaviors needed to realize your potential. To this end we've all worked hard. The rest is up to you.

On behalf of the entire FHS staff I congratulate you and wish you all the very best that life has to offer.

Sincerely,

John Newburn

Dedication

We, the graduating class of 1995, put much thought into the dedication page of our yearbook. We wanted this page to reflect a person who has been dedicated to our class and has been there for us throughout our high school years. So, we thought, who better than Tom Pacheco, the school's photographer. He has seen each of us grow into what we have become today . . . SENIORS!

Besides running his photography studio with his wife Antoinette, he attends rallies, school dances, sporting events, and other school celebrations. His effort goes far beyond any contractual obligations. Throughout the critical period of composing and editing this yearbook, he has spent countless hours in the yearbook office helping us with production problems in his good-humored, gentle way. Without his dedication and commitment, this yearbook would not be what it is today.

We, the members of the 1995 Huttlestonian staff, would like to personally thank Mr. Tom Pacheco for his dedication to our purpose. Not only is he an outstanding photographer, but also a friend to the school and its students.

Thank you!

The Class of 1995

Foreword

As seniors we, the graduating class of 1995, are able to look down from the top of the long ladder we have steadily climbed not only for the past four years, but over the past twelve years as well. We should be very proud that as each year became more arduous and challenging, we grew stronger and stronger. As we stayed on the rungs of this educational ladder, changing and maturing, we formed a bond between us that can never be broken.

Now we face our biggest challenge yet. We must use everything we have been taught, both in school and at home, to climb a brand new ladder. This time we are alone and the ladder is much taller. It will be more difficult to reach the top and identify ourselves in the world, but we know we are capable of climbing high. The accomplishments of the past have taught us that we will succeed. As we take each new step and continue the climb with new experiences and new friends, it is the four years we shared at Fairhaven High School that we shall never forget.

This yearbook is a pictorial record of some of the happiest and most cherished moments we spent together. It has been published by the Huttlestonian staff to show that we, the students of Fairhaven High School, have exercised and lived up to the highest ideals of sportsmanship, leadership, scholarship and citizenship. In the years to come, whenever we open this book, four years of success and accomplishments will unfold.

Editor-in-chief,
Amy Casilhas

FRIENDSHIP

Forever Friends

As children,
we learn the meaning of a "friend."
A friend is someone who cares,
who loves, and listens.
A friend gives an ear to listen, a heart to love,
and a mind to understand.

We grow up together
and learn many lessons from life.
Friends help us through obstacles
that life throws.
Faith and trust, honor and truth,
wrong from right,
These things,
a true friend knows.

We fight and we reconcile;
we learn from our mistakes.
We talk and communicate
and try to resolve our differences.
We witness and support
each other's accomplishments.
A key element of a true friend
is enduring the times we lose.

We've laughed, and cried;
we've been through it all.
We've matured so much
that it doesn't seem real.
With so many momentary times,
the moments appear so scarce.
Memories of joy and happiness
are memories we will always feel.

Soon it will be time
to temporarily say farewell
As we venture on
through this voyage through life.
New faces will come and go
as we welcome them in our hearts.
Yet we shall never forget
that devoted friends
will be here until the end.

IDENTIFY YOURSELF

Who are you?
Do you know?
Are you playing a part
Or are you real?
Take a look at
Yourself.
Are you there?
Or do you look a little like
a paper doll,
a new person
for each
new game,
kinda flat
with a silly little grin.
Look again.
You're not a little kid
anymore.
It's time you passed that paper doll
down to someone else.
Now's the time
to take charge
of who you are
One day
you'll be walking in a big
new world
where paper dolls
get trampled
and torn
and you'll need to be strong
No one's taking care of you now.
So make a decision —
(feels pretty good, huh?)
Identify yourself.
Try new things.
Fill up with them.
Check it out!
You're not flat anymore!
Walk out into the world
with a bright, new smile.
Strut your stuff
'cuz this is you.
You're in charge now
and playing your own game.
No one's telling you
who you are.
Feel important?
Think so, 'cuz you are important.
Do you like that feeling?
Then just keep being yourself.
Identify yourself.

Back In The Day . . .

Class

As seniors, we have shared four memorable years together at Fairhaven High School, the "castle on the hill." As the year comes to an end, we must never forget our times together and . . .

In September of 1991, we entered high school with fear, along with excitement, as freshmen awaiting what was in store for us. We soon discovered that being freshmen wasn't so bad as long as we learned that there was "no pool on the fourth floor" which could be reached by taking the "elevator!" Our class met new people by getting involved in many extracurricular activities. We soon became accustomed to high school.

Before we knew it, we faced our first major decision of electing class officers. We chose Andrew Manchester - President, Ryan Mitcheson - Vice President, Matthew Robbie - Secretary, and Lee-Ann Evangelho - Treasurer. Our advisors were Mrs. Santos and Mrs. Evangelho. We held our first fundraiser selling lollipops and hosting a Sadie Hawkins Dance. Both proved to be great successes.

Time quickly passed. Before we knew it, we were sophomores. Relieved that we were no longer freshmen, we began a new year in the fall of 1992. More confident, we chose our class officers once again. This time they were Daniel Vieira - President, CeCe Arruda - Vice President, Bethany Davis - Secretary, and Thomas Pomfret - Treasurer. That year we chose to raise money by selling candy bars and putting on a school dance. Our advisor, Mrs. Evangelho, helped us organize these activities.

Although we had been happy as sophomores, a thrill came over us as we entered our junior year - upper classmen, finally! We excitedly anticipated our Junior Prom and Junior Day. We made preparations throughout the year and elected our class officers to carry them through: Daniel Vieira - President, CeCe Arruda - Vice President, Bethany Davis - Secretary, and Thomas Pomfret - Treasurer. Raffle tickets were sold to raise the money for these events. We also raised money that went to local needy families and helped raise awareness of child abuse by passing out and wearing ribbons. Junior year became a chaotic year, also, with S.A.T.'s, thinking of college and future plans, ordering class

History

rings, taking driver's ed, and passing road exams (parallel parking !?!?). Mrs. Evangelho was our advisor for the third year and assisted with our major decisions. We pulled together as a class to make the Junior Prom and Junior Day the successes that they were. On Junior Day, our President, Daniel Vieira, accepted the mantle from the President of the Class of 1994 to symbolize that we . . . were . . . SENIORS!!! After all we had gone through, another year had passed and we were entering our last and final year at F.H.S.

"Can you believe we're seniors?" was the basic question from all of us. The concept hadn't hit us yet. It seemed unimaginable. We had so many things to look forward to: Senior Prom, Senior Pics, Senior Study, and Graduation. Also entering our senior year, we had the pleasure of meeting a new addition to our class, Vivian Buehr from Switzerland (We all made her feel at home and welcomed her as a part of the Class of '95). Together our last decision as a class came as we elected class officers. We confidently chose the previous officers for the third year: Daniel Vieira - President, CeCe Arruda - Vice President, Bethany Davis - Secretary, and Thomas Pomfret - Treasurer. An Executive Board was also elected to assist these class officers. We had a big year ahead of us. Mrs. Fennell and Mrs. Albritton were selected as our class advisors. This year many of us had to deal with S.A.T.'s and college applications (Ugh!). It was a successful season for all sports. Who could ever forget winning the Super Bowl? However, from this time on we began thinking of the Senior Prom and Graduation Day. Would it really be over so soon? It seemed like yesterday we were sitting in the Knipe Auditorium with butterflies in our stomachs, seeing some familiar and some new faces. Where did the time go?

As you read this, you know that graduation will soon be upon us. We'll be saying goodbye to our teachers, who have helped us to prepare for our future, and to our classmates, who have helped us grow in a way we will never forget. We'll take with us the memories in the halls of F.H.S. and in the stadium. They have been a great and significant part of our lives. Always remember that we can accomplish anything we set our hearts and minds to. We are the Class of 1995!

— Bethany Riggs

Foreign Exchange

VIVIANE BUEHR

I'm Viviane Buehr (Americans call me Viv) and I'm an exchange student from Switzerland. I decided to spend a year in the United States because I have lived in a very small village all my life. Before I left, friends told me, "Say hi to the Hollywood stars" or "Don't get too fat!"

My host family, the Gillespies, brought me to Fairhaven on August 6th, and Fairhaven seemed pretty big to me. I was excited about living near the sea and also about the drive-throughs. I had never seen them before. I was going to live with a family I never met and I could barely talk to them. But, fortunately they turned out to be very nice and understanding. That's part of the reason my year here in Fairhaven has been so successful. The other reason is the people in this high school were very outgoing and friendly. They always helped me. I soon made friends and started going out with people outside of school. I went bowling for my first time. I tried frozen yogurt, which became my first love in America. Of course, sometimes I miss my parents, and I'm learning to appreciate now what I have at home. I've had a very good time in Fairhaven, and it's going to be an experience I'll always remember and I'll never forget.

JUNIOR PROM

MAY 13, 1994

On Friday, May 13, 1994, our class held the Junior Prom at the Seaport Inn, from seven p.m. until midnight. Music was provided by David Berube. Our court was introduced by our Mistress and Master of Ceremonies, Gretchen Hodges and Tommy Pomfret. The prom court consisted of: Cece Arruda, Christie Cardoza, Bethany David, Bethany Davis, Sara Delano, Lee-Ann Evangelho, Cheyenne Hawk, Cathy Kilshaw, Stephanie Smeaton, Brendan Foster, Timmy Guillotte, David Joseph, Jay Kruger, Andy Manchester, Ryan Mitcheson, Jeff Szynal, and Danny Vieira.

Chosen as Prince and Princess were: Brendan Foster and Cece Arruda.

Chosen as King and Queen were: Danny Vieira and Bethany Davis. The King, Queen, Prince, and Princess, joined by the court members danced to our theme song, "We've Got Tonight," by Kenny Rogers.

JUNIOR DAY

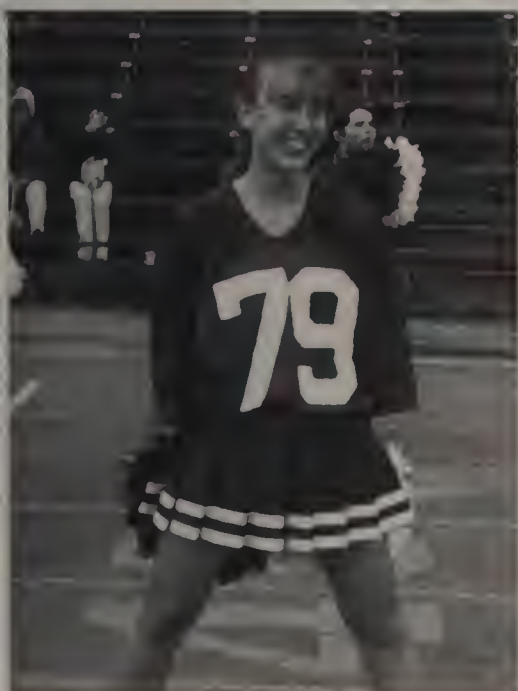

On June 3, 1994, the traditional Junior Day ceremony was held in the Larch Avenue Auditorium of Fairhaven High School. Making the occasion even more special, was the wonderful flute performance by Keri Ste. Marie. The ceremony commenced with the passing of the traditional black mantle from the class of 1994 president, Melissa Cabral, to our president, Daniel Vieira. With this exchange we, the class of 1995, had officially become seniors.

FOOTBALL

This year, the Fairhaven Blue Devil Football Team knew of nothing but success and victory! It proved to be a tremendous season, with a record of 9-1-1, placing first in the SCC, winning the SuperBowl against Matignon 34-26 at home in front of 3,000 loyal fans, and seven members of the team named All-Stars. The sixteen departing seniors will never forget such a great season and take with them fond memories: Coach Almeida's defensive breakdown, "Oh When the Blue," burning the cleats, breakdown in the circle, Thanksgiving, SuperBowl '94, and many more!

The F.H.S. Football Team would like to thank Coach Almeida for all his help and guidance, the rest of the staff for a great year, and all the fans for their support.

Boys' Soccer

Holding a record of 10-2-3, the Fairhaven High School Boys' Soccer Team ended with an impressive season! We placed second in the SCC and made it to the second round of the SCC State Tournament. There, we were defeated in a tough battle, in overtime, against Nauset. However, this year, it was the first time that the soccer team was unbeaten by Voke, a great victory for the Blue Devils! Along with these accomplishments, three members of the team were named All-Stars. Under the new coaching of Coach John Fox and Assistant Matt Hebert, the soccer team played hard and had a terrific season.

The eight seniors hope for nothing but success for the soccer team of '95 and to encourage them to continue F.H.S.'s tradition of successful soccer. A big thanks goes out to Coach Fox and to Coach Sam Galvin, from his forever "hammer heads," for his three years of coaching!

Girls Soccer

For the first time, Fairhaven had the opportunity of having a Girls' Varsity Soccer Team! And we did great! We made it to the State Tournament and placed second in the SCC. It proved to be thrilling first season. We would like to thank Coach Sam Galvam and Assistant Coach Derek Galvam for making all of our successes possible. Seniors Debbie Ambar and Monique Despres are confident that the team of '95 will be just as successful and will take with them such memorable times as Coach Galvam's "shooting the breeze," ORR the second time, and DR the first.

Field Hockey

The 1994 Field Hockey Team had a great year! With hard work, determination, and the help of Coach Crane, we increased our conference record, 6-8, just missing the State Tournament. The Seniors will always remember: Coach Crane's words of "Go, Go, Go!" and "Fast, Fast, Fast!" UCONN, "Endline with your stick," and Seekonk Showers. They also wish next year's team the best of luck in '95. Burn the Bulldogs, Big Blue!

Volleyball

The 1994 Volleyball season for the Blue Devils was a great season for all who participated. We tied for second place in the SCC and made it to the second round of the State Tournament. Seniors Heather Lopes and Viviane Beuhr wish next year's team good luck! Remember the great times we shared: the backbone, ORR, pits, "Beat 'em, lay 'em down, and really fight!" wig, nails, Kelsey locked in the bathroom! Thanks to Coach Hellya and Coach Olsen, also!

CROSS COUNTRY

Both Cross Country teams had strong showings with fantastic records: Girls' 5-3 and Boys' 6-2. Our home meets, which ranged from 2-3 miles, were held at the Fairhaven Riverside Cemetery. Both teams ranked third overall in the SCC. In the Boys' Cross Country, Jonathan Bourgeois and Pat Gallagher placed in the Top Ten Best Times Ever at our home course while Katie Cozzens made it to the States this year for the Girls' Cross Country Team. The most memorable meet was beating ORR! Seniors Jonathan Bourgeois, Katie Cozzens (Captain), and Matt Correia (Captain) thank Coach Bob Demanche for his enthusiastic coaching!

CHEERLEADING

The Blue Devil Cheerleaders had a memorable year, to say the least. We became State Champions and, also, qualified to compete in Myrtle Beach for the second year, where we previously took second place! Cheering on our teams was a lot of fun because all of the F.H.S. sports had an extremely successful year. Senior Stephen Belanger, Christie Cardoza, Bethany Davis, and Gretchen Hodges wish as much success to next year's team. Never forget: The Ritual, Danvers, and Myrtle Beach. We also wish to express thanks to Coach Lisa Cabral and all the fans who supported and cheered for all our teams!

BOYS' WINTER TRACK

Even though the boys' track team was short on runners this season, they managed to have an extremely successful season. The boys finished the season with a record of 5-1-1. The only loss was by a point to Voke Tech. The Fairhaven boys finished in second place in the SCC. Quite a large number qualified for state including sprinters, distance runners, throwers, and jumpers. State was held at Harvard University. The boys' track team would like to thank the entire coaching staff for helping them achieve such success. Good Luck to the departing Seniors: Matt Correia, Jon Bourgeois, Kevin Costa, Miah Katz, Ryan Mitcheson, and Danny Jones.

GIRLS' WINTER TRACK

Congratulations to the girls' winter track team for being undefeated SCC champs for the second year in a row! Senior, Christie Cardoza broke the school record in the shot put, throwing 32'11", Katie Cozzens ran as fast as ever, Heather Lopes won the relay, and Debbie Ambar ran the two mile. We will always remember Ms. Barrow's pep talks on the bus and all the candy we got after our race. We'll never forget intervals and hills, but it all paid off in the end once again. We would like to thank Coach Foster, Mrs. Belanger, Coach Demanche, Mr. Trudeau, and, of course, the one and only, Ms. Barrow.

As editors of The Huttles-tonian, we would like to thank everyone who dedicated their time and effort to the production of this yearbook. Despite the stress and aggravation of meeting deadlines, our hard work paid off. Without the team work, this yearbook would not have been such a success. Thank you to everyone who sold ads, calendars, and boosters to defray the cost of this publication.

Special thanks to Mr. Fernandes and Mrs. Lima for all their help. The members of the staff shall never forget Mr. Fernandes' lists, organization, and mathematical expertise. Mrs. Lima's jokes and laughter will live forever. Also, her broken arm turned out to be a pleasant surprise as it resulted in many house visits, meetings, and those great homemade dinners. Special thanks also to Mr. Tom Pacheco and Taylor Publishing Company representative, Conrad Schmidt for their direction and guidance.

We hope you enjoy this yearbook as much as we enjoyed putting together the memories of our past four years at F.H.S.

Amy, Shawnee, and Haylie
